Jolly Phonics Letterland: Inspirational Teaching of Letter Sounds Letterland is a fun, playful way to learn letter sounds and shapes. Fun, loving, loud, vibrant and colourful – this is Jolly Phonics Letterland!. Jolly Phonics is an exciting programme for preschool and kindergarten children. It is currently the only programme available in the UK that is truly "letter based". It has revolutionized the way children learn to read. The Jolly Phonics 'system' develops a child's phonics knowledge by teaching them to: identify the letter sounds and hear them in words; learn shapes and order them in words; make combinations (words that have two or more sounds together) and blend them in words; have fun and love words! The Jolly Phonics Flashcards in this pack are a fantastic way to support your child's phonics learning and to also make learning fun. It is a great way to reinforce phonics skills and memory. This pack includes a mini Jolly Phonics flashcard set which includes 25 single 2d92ce491b
